TOWN OF AUBURN

March 1987

Dear Fellow Residents,

Growth is the most pressing issue facing the Town in the foreseeable future. If we are to maintain the quality of life in Auburn as we know it today, we must be capable of meeting the challenge of managing the Town's growth to ensure that it occurs in both an orderly and tasteful manner. Perhaps more importantly, we must be aware of and sensitive to the issues which have traditionally accompanied growth in other areas. Unlike our pioneering forefathers, we are in a position to survey the effects that growth has had on other communities, weigh the results, consider the alternatives, and collectively decide what is best for our Town. As Robert Frost, our neighbor from Derry, wrote in his renowned poem, "Two roads diverged in a yellow wood...". Such choices are now facing us and we must be prepared to make timely and responsible decisions regarding Auburn's direction in the future.

The past year was a busy one for the Town. It brought revaluation of property, reconstruction of Wilson Crossing Road, construction of the new Fire House, and selection of a developer for the industrial park. This year promises to be even busier with more road improvements, expansion of the school, improving police protection, computerization of certain functions at the Town Hall, and completion of the outdoor recreation facility. Much of this is to manage growth, some just to keep pace. Yet, as a community, we have taken time to interject a little fun into life in Auburn with events such as Olde Home Days, Winter Carnival, the Summer Youth Program, Senior Citizen outings, and various concerts which have found their way into and are fast becoming a tradition in our Town. As we grow we must not lose sight of the values that such time spent with our neighbors contributes to the quality of life in Auburn. In the end, it will be the difference which sets Auburn apart from other towns in the region.

The common thread which weaves this altogether is the strong commitment to volunteerism in the community. The progress which Auburn has made to date, as well as the success that it will enjoy in the future, is so vitally dependent upon the efforts of volunteers. To those uncounted numbers we extend our thanks. Auburn is our Town. If you have not already become involved, please make a contribution of your time and talent - it can only make Auburn a better place to live!

Your Board of Selectmen,

Daniel J. Carpenter, Chm.
Eugene A. Thomas
Richard E. Shackelton

Town Warrant
State Of New Hampshire
Rockingham, S.S.

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the tenth of next, at ten of the clock in the forenoon, to act upon the following subjects:

First. To bring your ballots for:

Town Clerk for Three Years
Tax Collector for Three Years
Selectman for Three Years
Treasurer for Three Years
Library Trustee for Three Years
Cemetery Trustee (Auburn Village) for Three Years
Cemetery Trustee (Auburn Village) for One Year
Cemetery Trustee (Longmeadow) for Three Years
Cemetery Trustee (Longmeadow) for Two Years
Trust Fund Trustee for Three Years
Auditor for Two Years
Police Commission for Three Years

Second. Are you in favor of the adoption of the amendments to the existing Town Zoning Ordinance and Zoning Map as proposed by the Planning Board? The full text of the Ordinance and proposed Map as they are proposed to be amended are posted and available for inspection at the Town Hall.

The proposed amendments will:

a. Amend the definitions of the following terms in Article 2:
   i. Automobile Repair Garage.
   ii. Commercial Service Establishment.
   iii. Lumber Treatment Establishment.
   iv. Industrial Establishment.
   v. Office Establishment.
   vi. Sales Establishment.

b. Define the following terms in Article 2:
   i. Hazardous Substance.
   ii. Travel Trailer.
   iii. Travel Trailer/Campground.

c. Amend Article 3.02, Animal Husbandry, to establish setbacks for storage of waste manure and area requirements for availability to livestock.

d. Amend Article 3.07(D), Nonconforming Lots, to permit expansion or new building on a non-conforming lot so long as the building and expansion do not exceed 5% of the area of the lot and meets all other zoning requirements.

e. Amend Article 3.09, Growth Management, to:
   i. Define "building construction";
   ii. Require renewals of building permits when construction has not been completed within 12 months of issuance of a building permit; and
   iii. To allow the Building Inspector to institute a waiting list for building permits.

f. Amend Article 3.10 regarding minimum lot size for multi-unit dwellings and to increase the minimum floor area for multi-unit dwellings to 800 square feet per unit.

g. Amend Article 3.11 to provide for clustered non-residential development.

h. Creates a new Article, Manufactured Housing, to permit manufactured housing in the R-2 district, and to establish installation and building requirements for manufactured housing.

i. Adds a new section, Storage Regulation, to Article on Underground Watershed Protections Regulations. This section sets standards for underground storage facilities where the capacity of a tank is 100 gallons or greater.

j. Creates a new Article, Travel Trailer Park/Travel Trailer, regarding trailer parks and storage of travel trailers on land owned by the owner of the travel trailer.

k. Amends Article 4, District Regulations, to provide for an "I-1" Industrial-One District.

l. Amends Article 4, District Regulations, regarding permitted uses, special exceptions and building area requirements.

m. Adds a new Article 4.09, "I-1" Industrial-One district to the District Regulations, setting forth permitted uses, uses allowed by special exception, and lot size, frontage, yard, and height requirements for the I-1 District.

n. Amends Article 7.03 to increase building permit fees.

o. Amends Appendix A, the Zoning Matrix of Uses and Districts, regarding permitted uses, special exceptions, and uses that are not allowed in the individual zoning districts.

p. Amends Appendix B to establish a zoning table of dimensions for I-1 districts.

q. Amends the Zoning Map to rezone that portion of the "I" district located west side of Londonderry Turnpike between Rattlesnake Hill Road and Wilson Crossing, 3000' in depth, to I-1.

Polls will be open at 10:00 a.m. and close at 7:00 p.m.

You are also notified to meet on Saturday, March the fourteenth next, at 2:00 p.m., at the Auburn Village School to consider the following articles:

Third: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Fourth: To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

Fifth: To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

Sixth: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Seventh: To see if the Town will vote to authorize the Selectmen to dispose of any/or all property acquired by tax deed, by public auction or sealed bid, with the right to reject all bids.

Eighth: To see if the Town will vote to authorize the Selectmen to sell the lots of land owned by the Town in the Sun Valley Subdivision, so-called, to the persons or parties who own real estate abutting said lots at such prices and upon such terms and conditions as the Selectmen shall find to be fair and reasonable to the Town and to the purchasers, or in default thereof, to dispose of said lots by public auction or sealed bid, with the right to reject all bids.

Ninth: To see if the Town will vote to establish a capital reserve fund for the purpose of acquiring in behalf of the Town land or rights in land such as conservation easements, development rights and the like.

Tenth: To see if the Town will vote to transfer to the capital reserve fund for the acquisition of land and rights in land any of the Town's unencumbered surplus funds remaining on hand at the end of the fiscal year up to, but not in excess of, an amount equal to all revenues received by the Town during the fiscal year from the sale of land owned by the Town. (Note: This Article will be dismissed if the Article establishing the capital reserve fund is not voted in the affirmative.)

Eleventh: To see if the Town wil authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local, or private agencies.

Twelfth: To see if the Town will vote to instruct the towns representatives to the court to take all necessary measures to insure that no low level radioactive waste from Seabrook Nuclear Plant shall be stored within the Town of Auburn unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual town meeting. Marion Miller moved the article as printed in the Warrant. Seconded by Mary Grifin. Article 4 passed.

Article 5. To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

David Griffin moved that the income from the H.B. Burnham Fund be used for the library. Charles Worster seconded. Article passed.

Article 6. To see if the Town will vote to authorize the Selectmen to accept gifts, in the name of and in behalf of the Town, for the use of the Town as may now or hereafter be forthcoming.

Eugene Thomas moved that Article 6 be adopted as written in the Warrant. David Griffin seconded. Article passed.

Article 7. To see if the Town will vote to incur debt for temporary loans in anticipation of taxes.

Richard Miller moved to accept Article 7 as printed in the Town Warrant. Motion seconded by Barbara Lee. Article passed.

Article 8. To see if the Town will vote to authorize the Selectmen to dispose of any/or all property acquired by tax deed, by public auction or sealed bid, with the right to reject all bids.

Eva Lunnie moved that Article 8 be accepted as written in the Town Warrant. Seconded by Mr. Topliff. Discussion followed. Martin Sullivan moved the question. Lloyd Wood seconded. Motion to vote passed. Article passed.

Article 9. To see if the Town will authorize the Selectmen to make application for and to receive and spend advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local, or private agencies.

Brenda Beer moved that Article 9 be accepted as printed in the Town Warrant. Mr. Andrus seconded. Article passed.

Article 10. To see if the Town will vote to authorize the Selectmen to issue abatements from the timber yield tax provided for by N.H.R.S.A. Chapter 79 in cases where a landowner in the Town has cut or has caused to be cut growing wood and timber in consultation with and upon the advice of a professional forestor, such abatements not to exceed ten (10%) percent of the yield tax imposed upon the landowners.

Eugene Thomas made a motion that Article 10 be adopted as printed in the Town Warrant. Orrin Chase seconded. Discussion followed. Leonard Bienvenue moved the question. Roland Senechal seconded. Motion to vote was defeated. Further discussion followed. Mr. Galvin moved the question, seconded by Bruce Phillips. Motion to vote passed. Article 10 was defeated.

At this time the Moderator asked our State Representative, Harry Flanders to address the meeting.

Article 11. To see if the Town will vote to authorize the Selectmen to convey to Andrew A. Bradley and Elaine C. Bradley the land on Sun Valley Road known as Lot No. 61,Section 2 (Tax Map 18, Lot 22), which land was acquired by the Town by a Tax Collector's deed dated May 10, 1983, because the said Andrew A. Bradley and Elaine C. Bradley, through misfortune, constructed their home on Lot No. 61 when they in fact intended to construct their home on the adjacent lot which they owned, Lot No. 60 (Tax Map 18, Lot 21); said conveyance to be by private sale at a price to be determined by the Selectmen and to be conditional upon the merging of the two lots into one lot for purposes of the Auburn Zoning Ordinance.

Eugene Thomas moved that Article 11 be adopted as printed in the Warrant. Seconded by Susan Andrus. Mr. Bradley explained his situation. Mr. Galvin moved to vote on the question. David Griffin seconded. Vote on the Article was in the affirmative and Article 11 passed.

Article 12. To see if the voters will instruct the Board of Selectmen to collect property taxes on a semi-annual basis as provided for in RSA 76:15a-b. (Originallyvoters signed it.)
Sig of Selectmen within the time limit but only nine

Article 12. To see if the voters will instruct the Board of Selectmen to collect property taxes on a semi-annual basis as provided for in RSA 76:15a-b. (Originally
submitted to the Board of Selectmen within the time limit but only nine qualified registered voters signed it.) Signers of the original petition: Hubert J. Topliff, Jacqueline A. Lawrence, Bruce Phillips, Richard Wardwell, Martin Sullivan, Joe Stacy, Robert J. Royer*, Ken Butler, Janice Griffin, Kathryn Topliff - *denotes not a registered voter.

Eva Lunnie moved the Article as printed. Mr. Topliff seconded. Mr. Topliff spoke on the Article and passed out an information sheet showing the benefits to the Town.

Mr. Topliff moved to amend Article 12 as follows: To add: A discount of 1% of the tax bill will be given on all taxes paid within ten (10) days of the mailing of the last bills, or June 15th, whichever comes later. Mr. Coyne seconded.

Mr. Topliff then added "or December 15th" after "or June 15th". Addition to amendment agreed to by Mr. Coyne.

Discussion followed. Mr. Bienvenue moved to vote on the amendment. Martin Sullivan seconded.

The amendment now reads: A discount of 1% of the tax bill will be given on all taxes paid within ten (10) days of the mailing of the last bills, or June 15th, or December 15th, whichever comes later.

Hand count vote on the amendment: YES: 104 NO: 71. Amendment passed.

After further discussion, Mr. Galvin moved to vote on the question. Bruce Phillips seconded.

Louis Gamache, Bruce Mason and Earl Durand asked for a secret ballot on Article 12. A signed request was received. The Moderator opened the polls and when all who wished to vote had voted, the polls were closed. Vote: YES: 137. NO: 42. Article 12 with amendment passed.

Article 13. To see if the Town will vote to discontinue and make subject to gates and bars the highway as described as follows: Nutt Road from Wilson Crossing Road to Steam Mill Road, also known as Auburn Derry Berry Road.

Lloyd Wood moved we accept Article 13 as printed. Theobald Therrien seconded. After some discussion, Mr. Chase moved to vote on the question and Mr. Topliff seconded. Motion passed. Vote on Article 13 was in the affirmative and the Article passed.

Article 14. To see if the Town will vote to authorize the withdrawal of $32,522, or such lesser amount as may be available to the Town if estimated entitlements are reduced, from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against budgeted appropriations to be raised by taxes for the purchase of a loader at the Town Incinerator and to take any other action hereon. (Amount included in the Budget.) (Recommended by the Budget Committee.)

Eugene Thomas moved Article 14 be adopted as printed in the Warrant. Mr. Andrus seconded. Article passed.

Article 15. To see if the Town will adopt the following ordinance:

REGULATION OF ALCOHOL ON CERTAIN PROPERTY PROHIBITION: No person shall possess or consume any alcoholic beverages in the Town of Auburn on land belonging to the Town of Auburn or to the Manchester Water Works unless consent has been obtained in advance in writing from the Board of Selectmen with respect to Town land and from the Board of Water Commissioners with respect to Manchester Water Works land. PENALTY: Any person who violates any provision of this regulation shall be subject to a fine of not more than $100 and not less than $50 for each seperate offense.

Ethan Howard moved Article 15 be adopted as printed. Ed Labore seconded.

After discussion, Bruce Mason moved to table Article 15 indefinitely. Seconded by Russell Dutka.

Further discussion followed and Don Marzloff moved to vote on the question. Roland Senechal seconded.

The vote to table the article indefinitely passed and the article was tabled.

Article 16. To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

James Andrus, Chairman of the Budget Committee, moved to appropriate a sum of $1,012,066.69 for the ensuing year. Winifred Sanford seconded.

At this time, Alex Komaridis, Auburn School Board, stated that the school budget is 2/3 of total Town appropriations, and asked for better support at the School District meeting which is held on previous evening. The School Board wishes your input.

Theobald Therrien made a motion to add $500.00 to the appropriation for the Massabesic Senior Citizens. Al Samson seconded.

After discussion, Dale Phillips moved to vote on the amendment. Mrs. Galvin seconded. Vote on the amendment passed.

Martin Sullivan moved to vote on Article 16 (appropriation of $1,012,566.60 as amended). Bruce Phillips seconded.

Vote on Article 16 as amended ($1,012,566.60) was in the affirmative.

Article 17: To transact any other business that may legally come before the meeting.

There was some discussion regarding a better sound system for the Town Meeting.

Mr. Topliff made the following motion. I move that the Moderator appoint a Committee consisting of one Selectmen, one Planning Board Member, one School Board Member, and two registered voters of the Town to study the following:

(a) The feasibility of changing the fiscal year of the Town of Auburn to July 1 through June 30 next;

(b) The feasibility of changing the Town Meeting from March to May of each year. Said committee shall be instructed to report its findings and recommendations to the Town Meeting of 1987. Seconded by William Wood.

Mr. Stritch explained that motions could not be accepted under this Article, but could be accepted as a resolution of intent from the Town Meeting.

The Resolution of Intent from the Town Meeting as requested by Mr. Topliff passed.

Mr. Andrus explained that he will move to deduct $100,000 from the budget appropriation if Article Three does not pass at the adjourned meeting on April 17th.

Discussion followed concerning slanderous letters which were circulated prior to election and were not signed. People did not like receiving these. Allegations regarding the Zoning Board, which were also sent around again this year, were answered by Mr. Lunnie, Chairman of the Zoning Board.

The need for a computer in the Town is being investigated.

Audit reports are available to anyone interested in the Selectmen's Office.

There being no further discussion, this business meeting was adjourned to April 17th and 7:00 PM. Adjournment time, 5:15 PM.

Respectfully submitted,
Nancy H. Gagnon
Town Clerk

Superintendent's Reports

If there is an issue that really needs to be singled out to the members of the community it is the increasing growth of students in the Auburn School District anticipated in the next five to ten years. Planning appropriately now will alleviate many of the educational problems that may be encountered in the future.

During the early summer of 1985 the Auburn School Board set in place a School Building Committee comprised of school board members, administration, staff, and citizens of the community, to review the long range plans of the district for the next five to ten years.

The group has met for the past two years, and with the assistance of Mr. Tom Johnson, architect, have finalized plans for a bond issue at the March 1987 School District Meeting.

The Building Committee has had several public hearings to receive input from the community as a whole, and the committee members are to be commended for the number of hours spent working on this project.

The recent two year negotiated contract between the staff and the school district has proved to be most beneficial to the students of the district. There has been little, if any, staff turnover during this time.

Mrs. Doris Jackman, Lunch Director, retired at the end of the 1985/86 school year. The District is most appreciative to Mrs. Jackman for her dedicated service to the youth of Auburn for twenty-four years.

Securing and paying for adequate liability insurance has been a problem facing the Auburn School District, the same as it has been for schools and municipalities across the country. The cost has escalated drastically over the past two years.

During 1985/86 the population of educationally handicapped children continued to grow, resulting in a Resource Room filled to capacity and the out-of-district placements to other public schools of several students who required more restrictive programs than Auburn had space to provide. It is expected that a part-time teacher will be needed next year to assist with the Resource Room population as it continues to grow.

The SAU #15 of Auburn, Candia, Hooksett, and Raymond has gone through a painstaking process in the division of Raymond's withdrawal from the SAU #15 to their own SAU #33. This division became effective as of July 1, 1986. Both the school boards and the administration of all four districts have worked diligently to provide a smooth transition for all districts concerned. The completion of this reorganization will be June 30, 1987.

I wish to thank the Auburn School Board members, Principal Ray Bourque, all school staff members, and the citizens of the community for their continued support throughout the past school year.

Respectfully submitted,
David R. Cawley
Superintendent of Schools

Auditor's Report

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have examined the general purpose financial statements of the Auburn School District and the combining, individual fund, and account group financial statements of the School District as of and for the year ended June 30, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Auburn School District, at June 30, 1986, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding years. Also, in our opinion, the combining, individual fund, and account group financial statements referred to above present fairly the financial position and account groups of the Auburn School District, at June 30, 1986, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining, individual fund, and individual account group financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose, combining, individual fund, and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements and account groups taken as a whole.

Principal's Report

The school population in September, 1985, was 436 and when school closed in June, it was 426. The school population today, November 17, 1986, is 450.

During the past school year, the Reading Curriculum Committee completed work and recommended a new reading program that will be implemented during the 1986-87 school year in grades R-8. The major curriculum area to be reviewed during the 1986-87 school year will be mathematics. A Math Curriculum Committee has been established and Mrs. Aranka Kupoics will be chairperson for this committee.

During the past year and a half the Auburn Building Committee, chaired by Mr. David Greene, has been evaluating the school district's educational needs. This committee has presented their findings to the School Board and has been working with the School Board members to develop a plan that will address these educational needs. The School Board has held public meetings to present their plans to the community. I hope you have attended these meetings to voice your opinion on their proposal.

The Auburn School District offers a balanced sports program consisting of soccer, basketball, cheerleading, baseball, and softball in the upper grade levels. I want to thank Patricia McGrath who has done an exceptional job of developing and coaching the girls basketball team during the past four years.

The school PTA has been a constructive and positive group working to enhance the quality of educational opportunity for Auburn students. During the past year, the PTA has sponsored the N.H. Symphony Orchestra in-school education program, purchased novels for a reading enrichment project for seventh and eighth graders, and funded "The Wonder of Fantasy"; a childrens workshop to develop student's creativity.

The PTA Cultural Arts Committee has sponsored and scheduled several programs for students. The Art of Black Dance Group, Judith Black: Story Teller, The Off The Wall Mime Group, and The Hampstead Players are some of these programs.

Graduation exercises were held on June 18, 1986. Fifty students received diplomas. The guest speaker was Mr. Steven Mirandi, former Auburn Village School Teacher. Honor speakers were Danielle Pelletier, David Mercier, and Brian Knox. Department Awards went to Danielle Pelletier, Social Studies; Brian Knox, Science; David Mercier, English; and Kathleen McGrath, Mathematics. The Honor Student Award was given to Danielle Pelletier. The PTA Award-Most Improved went to Eric Dolbec. The Millie Preston Service Award went to Heather Pinard. The School Board Citizenship Award went to Brenda Lawrence. Robert Lewis, Trustee of the Citizens Scholarship Fund of Auburn, made the presentation of the fifth annual Millie Preston Scholarship Awards to Kristin Marzlotf and Jeanne Stritch.

I want to thank the faculty, staff, students, parents, School Board members, the Superintendent of Schools, S.A.U. #15 staff, and those other members of the community whose efforts have helped to improve the quality of education in Auburn.

Raymond Bourque
Principal

Report of the School Board

This year, the Auburn School District reached a major turning point for the future. The town's rapid growth over the past few years has filled our school to overflowing. That overflow has forced us to cut our library space in half to get more classroom space, and next year will see the use of temporary classrooms.

The school board anticipated this problem several years ago, and created a committee composed of citizens, teachers and board members to analyze our growth needs for both space and programs and recommend the best alternative available to meet those needs.

The committee's recommendations addressed both program and space needs for the future. Based on those recommendations it was decided to build an addition to our present school building. We anticipate that the addition will not only permit us to accomodate the growth of our student population for a number of years, but will also permit us to add to, or expand on, the programs we offer to our children. Both the space and program expansions will permit us to ensure that the education our children receive is the best that we can reasonably afford.

However, this construction project, while it is the last addition possible on the present site, is only the first step towards meeting the needs of the future.

Auburn's growth will not stop. If anything, it will continue at an increasing rate. And that can only mean that we will have to build again sometime in the not too distant future. It is for that reason that the committee which has worked so long and hard on this addition will continue in existence.

Once this project is well on its way, the committee will be asked to determine the most probable sequence of steps that will need to be taken over the next 20 or more years. The members will be asked to determine if Auburn should plan for a high school/junior high school as the next step, or whether it would be wiser to prepare for a middle or elementary school. They will be asked to anticipate the needed programs, costs, timing, size and location of those new facilities.

We hope that our efforts now will ensure that we will not have to face the same type of hurried decisionmaking in the future that many of our neighboring communities have faced and are facing.

But whatever the future may bring, I feel certain that we can rest assured that the present expanded facility will be a pivotal point for the Auburn School District for many years to come.

Again this year we had the brushing and flouride Rinse Program in Grades 1 through 6 under the direction of Doris Bodi from the Bureau of Dental Health in Concord. Dental Hygienist, Cynthia Kitan cleansed and applied flouride to 83 children's teeth. Dental week was observed this year with Dr. Bolduc showing a film and had a very informative Question and Answer period.

Athletic Physical to all boys and girls participating in school sports by Dr. R. Cohen. First Aid Multi Medic was taught to Grade 8 with 46 students passing the course and receiving their cards. The VNA from Manchester presented a program on Decision Making in Grade 6 by Marilyn Jennato and Alice King. Karen Casko held a class of Puberty. Both classes were well received.

Some of the Workshops and Lectures I have attended this year are:

- Diabetes and You
- How to Use Stat Care for Diabetes
- The Latest in Diabetic Equipment and Blood Testing
- Third Annual School Nurse Inst. at St. Anselm's
- Nutrition Ed. Conference sponsored by N.H. Department of Education
- Aids - 2 workshops
- Children with Hemophilia
- Employees Right to Know the Law and Public Employee Safety and Health Act

I wish to thank the Principal, Secretary and Teachers for their cooperation. Also the Lions and Lionesses for sponsoring my Dental Clinic, Immunization Clinics, Eye Screening and Glasses that have been purchased for the children needing glasses.

The Town of Auburn has lost a devoted citizen with the death of Francis J. Dollard. Only those who were associated with him realize his devotion and dedication to his work in the Auburn Village Cemetery. His hard work and saving disposition has saved the town money. In that respect he can never be replaced.

The Trustees of the Village Cemetery say thank you for a job well done.

Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall. Requests for a hearing are made to the Zoning Officer. During 1986 the Board held 55 hearings, 12 being for Special Exceptions and 43 for Variances. The hearings are open to the public, are posted and advertised in the Manchester Union Leader. Minutes of the meetings are posted at the Town Hall for public review.

I wish to express my appreciation to the Board members and alternates for the time and effort expended in the Town's benefit.

Respectfully

The Office of the Planning Board in the Town of Auburn

Nineteen eighty six was a busy year for the Auburn Planning Board. The Board heard 31 cases, which resulted in 9 Residential Subdivisions and 75 individual lots. The Board also approved 3 Lot Line Adjustments, 5 Commercial Sit Plans, 3 Excavation permits, 2 Excavation Permit Renewals and 1 Recording of Property. Fortunately, the Board experienced no changes in membership during the year.

In the spring, Subdivision Regulations were reviewed and ammended. Non-Residential and Multi-Residential Site Plan Review Regulations were also reviewed and amended by the Board. Major changes in these regulations included provisions for underground storage tanks, and exclusion of outside storage of materials.

In the fall, The Planning Board reviewed and ammended the Capital Improvements Programs with members of other town boards. Two major Capital Improvements which the Board identified were the addition to Auburn Village School, a 2.5 million dollar expenditure to be fiancned over a 10 year period, and $300,000 toward the improvement of Pingree Hill Road and portions of Spofford Road in the year 1987. This need was identified in the roads assessment survey done by the town engineers and by the Town Road Agent.

the Planning Board is proposing a number of additions and ammendments to the Zoning Ordinances. The most significant changes are: 1)to rezone the Industrial Zone on By-Pass 28 (North) to a C-3 district, encouraging small business and wardhousing, and to better protect environmentally senitive "wetland" in that district; 2)to allow for Commercial and Industrial Subdivisions to be "clustered" to address the need for protecting open space and environmentally sensitive land in the Town of Auburn; 3)to allow and control mobile homes in the R-2 Zoning District in Auburn; 4)to provide ground water protection through the regulation of underground storage tanks; 5)to define and control Travel Trailers and Travel Trailer Parks; 6)to allow a maximum of 5% building coverage on a Non-conforming Lot; 7)to define the procedure for issurance of building permits.

Visiting Nurse Associatior of Manchester and Southern New Hampshire

In 1987 the Visiting Nurse Association is beginning its 90th year of service to the Greater Manchester community. Our service area includes Manchester, Amherst, Auburn, Bedford, Candia, Derry, Goffstown, Hooksett, Litchfield, Londonderry, Milford, and Mont Vernon.

This year a full range of home health services have been provided to Auburn and other residents including nursing care, physical, occupational and speech therapies, nutrition counseling and medical social services. Home Health Aide, Homemaker, and Companion Services, as well as Private Duty Nursing. Hospice care for the terminally ill and their families is also provided. Service is available everyday and 24 hours/day.

VNA is certified for Medicare and Medicaid payment and provides services for private payment as well. Fees are explained to our patients at the first visit to the home, and for those unable to pay the usual fees, adjustments can be made on an individual basis.

VNA Community Services, Inc. provides free Immunization Clinics for all age groups every other month, and monthly Free Blood Pressure screening clinics in Auburn. Foot Care clinics are held monthly at our 194 Concord Street office by appointment and blood pressure checks are done weekdays from 1:30 to 4 PM. Occupational Health programs are provided to business and industries in the Bedford area, as are Parent-Child Health Services which include the Teenage Pregnancy Program.

Town appropriations, grants, United Way allocation and donations are a vital part of the funds that help to defray the cost of unpaid service provided.

Representing the town of Auburn who serves on the VNA Board of Trustees is Peggy Wornick.

Sincerely
Sarah Hubbard
Executive Director

Report of the Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission offers a wide variety of service, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Updated the town base map in the scale of 1" = 1000';
2. Provided the Planning Board with a suggested schedule for public notices and hearings pertaining to zoning and building code amendments;
3. Provided testimonies to the House and Senate committees of the 1986 session of the General Court on the HB 363, 349, 215, 174, 94 and 48; and SB 109, 117, 119, 215 and 110FN. These bills pertain to planning and zoning issues;
4. Prepared a report on school children multipliers for the region, including an anlysis of findings for the Town of Auburn;
5. Co-sponsored the Municipal Law Lecture Series, to which Auburn officials were invited;
6. Conducted a workshop on how to prepare a capital improvement program for any town. This was attended by officials of the Auburn Planning Board;
7. At the request of the Board of Selectmen, updated the town's zoning map. This necessitated the drafting of new roads and zonong district boundaries since the last update and preparing the artwork for printing; and
8. Prepared mylar copies of maps drawn in the scale of 1" = 1000' containing the information on topography, soils, roads and wetland areas

Auburn's Representative to the Commission are:
Mrs. Christine McLaughlin
Mr. Eugene Thomas
Mr. Donald Marzloff - Alternate

Annual Report
Auburn Police Department

In 1986, the Auburn Police Department continues to grow in an effort to meet the needs of the community for calls of service and protection.

In January: the Department completed its State required in-service classroom instruction on Deadly Force. Chief Wood completed a training session on Officer Stress. The Department completed a four hour in-service training on DWI-Detection, Apprehension and Prosecution in preparation for the DWI Grant from the State Highway Safety Agency.

In February: Chief Wood, J. Manni, A Castora, A. Young, G. Karolian completed a 16 hour radar certification course. The Police Department also completed an in-service training program on recovering, etc. evidence. Chief Wood and Lt. E. Picard attended a training session on Wiretaps conducted by the NH Criminal Investigators Association.

In March: the Department completed an in-service training session on Fire Extinguisher use. Chief Wood completed a two-day session on Civil Liability by the New England Association of Chiefs of Police.

In April: the Department completed an in-service training session on Domestic crisis Intervention and Juvenile Diversion Programs. Chief Wood attended a training session on Terrorism conducted by the FBI. Off. A. Castora resigned from the Auburn Police Department to the position of Chief of the Chester PD.

In May: the Department completed an in-service training session on the National Crime Information Center-used nationally to aid in locating property or missing persons.

In June: the Department completed an in-service training sponsored by the NH Department of Fish and Game including search/rescue, OHRV laws, hunting and fishing law enforcement, and caring for struck/injured animals. Chief Wood attended the NH Association of Chiefs of Police conference. Workshops completed in Civil Liability and New and Media Press Relations.

In July: Officer D. Kimtis accepted a full-time position with the New London (NH) Police Department.

In August: Chief Wood completed a workshop sponsored by the US Dept. of Labor concerning the Fair Labor and Standards Act. (Garcia Decision)

The town appointed Paul Sanford and Earl Ackley, Jr. as two new officers.

In September: the Police Department implemented a more complete Fire Arms Policy.

In October: the Chief attended the International Chiefs of Police Association meeting. Workshops completed: Computer in Police Reporting, Employee Job Appraisals, Department Employee Drug Testing, Developing SOP's. In-service completed training session Reviewing Radar Enforcement. A grant of $819.45 was received by the Town from the Highway Safety Agency toward radar unit purchase. The Department completed an in-service training session concerning Emergency Responses to local hazards and emergencies.

In November: Officer LaChapelle completed a 28 hour course on Officer Survival.

In December: Jean Worster was welcomed as clerk.

In Auburn Police Department also received a DWI grant from the NH Highway Safety Agency. The program involved assigning an extra officer to anti-DWI patrol on selected holiday and weekend evenings between Memorial DAy and Labor Day. The program resulted in: 47 checks (MV), 27 warnings, 63 summons, 9 MV arrests, and 15 DWI arrests.

The Auburn Police Department would like to thank the residents and the organizations of Auburn for their time and efforts for their community.

Lloyd P. Wood, Chief
Auburn Police Department

Police Commission Report

To the Citizens of Auburn:

Our equipment in the past several years has been upgraded and standardized. In addition, the number of patrol hours has increased to sixteen hours per day, providing better response to emergency calls.

Continual emphasis has been made on the training of our part-time officers. Six have attended 78 hours of required instruction and have been State Certified as part-time officers. Two are nearing completion and one has recently started in training to be State Certified. Lt. Edward Picard attended the State of N.H. Standard and Training course entitled Intoximeter 3000 School and has been State Certified in the use of the Intoximeter 3000.

Currently, there are openings for part-time officers. Any Auburn resident interested in becoming a part-time officer should contact Chief Lloyd P. Wood for further information.

During 1987, the Auburn Police Department will relocate to the Auburn Fire Department building on Raymond Road. In addition, we are seeking Town approval for the hiring of two full-time officers with expanded patrol coverage on a 24 hour basis. This should result in improved service to the Auburn community.

As we attempt to be responsive to the needs of the community it is increasingly difficult to sort the wants versus the needs, with consideration of budget constraints.

We solicit any suggestions you may have that would improve the effectiveness of the Police Department.

We appreciate the cooperation received by the Board of Selectmen, Auburn Volunteer Fire Department, N.H. State Police, Rockingham County Sheriff's Department, and other law enforcement agencies who have assisted us in times of need.

Respectfully Submitted,

Albert J. Samson, Chairman
Philip Hujar, Clerk

AUBURN RECREATION COMMISSION REPORT

The Auburn Recreation Commission has sponsored many programs in 1986 providing recreation to all age groups. Activities ranged from a winter carnival, two family concerts, a summer program, a swim program, the quarterly newsletter, and 2 senior citizen trips.

The winter carnival was held in February. Snow sculptures, figure skating, sleigh rides, cross country skiing and ice hockey were enjoyed by those who ventured outside.

Two concerts were sponsored by the Auburn Recreation Commission and partially funded by N.E. Foundation For The Arts program. Rosenshontz performed in March and Dan Butterworth & The Marionettes presented a Halloween performance.

The summer program, directed by Cindy Cavanaugh and Jackie Wood was offered for the children in grades 1 through 4 during July. Older children participated as volunteers counselor-in-training. Attendance was as high as 45 participants. The children enjoyed a wide range of arts & crafts and atheletic activities. In addition an organized swim program was conducted at Calef Lake one morning a week during July and August. This would not have been possible without the generosity of Bill Cooper, the owner of the Calef Lake Campground. Also the children went on several field trips; Squam Lake Science Center, Shaker Village and Odiorne State Park.

Kathy Canedy continued as editor of the Auburn Newsletter. The Newsletter is a great forum for all committees and organizations in the town as it has an average mailing to over 1,300 homes.

The senior citizens enjoyed two trips thanks to the coordination of Eileen McDonald. The first trip was a luncheon cruise on the Mt. Washington boat. Over a hundred seniors participated. A second trip was sponsored to the Annual Octoberfest at Mt. Sunapee State Park.

The Sandy Acres Recreation Area has made some progress in 1986. The initial site work is completed for the final spreading of gravel and loam. Estimates and a final layout has been determined for the first phase of construction. Ball fields, soccer fields and playgrounds should be visible by mid-1987.

The Recreation Commission would like to thank all those who participated in any of our many activities. If you have any questions about any of our specific programs, please call the Selectmen's office at 483-5052.

To: The Voters of Auburn

From: The Fiscal Study Committee

Last year at the Town Meeting a Study Committee was authorized to look at the budget year of the Town and the feasibility of changing the date of the Town Meeting. This committee has been at work and now submits a report with proposals for action at the Town Meeting this year.

First, we studied, and now recommend, the changing of the budget year from January 1 through December 31 to July 1 through June 30. The advantages we see are as follows:

(1) The Town would be spending money only after it has been authorized by vote of the Town Meeting. Presently we spend money before it has been authorized by Town vote which we feel is somewhat unresponsible.

(2) We would ease tremendously the burden upon those persons of the Town who are responsible for budget preparation by moving the working time away from the major holiday season of Thanksgiving and Christmas.

(3) We would then have the same budget time as the School District which could simplify the arranging of Town expense payments.

Second, we studied the feasibility of holding the Town Meeting in May rather than in March, and recommend this change to you. The advantages we see are as follows:

(1) The weather would be much more accomodating for persons attending the meeting, and hopefully the attendance of voters would be larger.

(2) The Town Report would be printed at a time when printers are not as busy with Town Reports, hopefully avoiding some of the possible mistakes and rushing.

(3) Again, report preparation, like budget preparation, would be removed from the major holiday season, making it much easier to get reports in.

On the basis of our studies, discussions and deliberations, we recommend to you the two Articles submitted in the Warrant. We will do our best to answer questions from the floor at the meeting.

Auburn Volunteer Fire Department

There were 198 emergency calls in 1986.

Fire Related	Medical Related
7 Structure fires	58 In-house rescues
10 Chimney fires	40 Motor vehicle accidents
11 Brush/dump fires	3 Search parties
10 Vehicle fires	11 Water rescue
10 Oil burner/appliance fires	1 Assist police call
6 Gas/smoke investigations	1 Good intent call
11 Mutal aid calls/drills	114 Total Medical Calls
15 Public service calls	
2 Good intent calls	
2 False alarms	
84 Total Fire Calls	

In 1986, the number of fire calls decreased while the number of medical emergencies increased. There was a notable drop in the number of chimney and brush fires in 1986.

During 1986, the fire department sponsored the annual green burn/ open house, two dances, Fire Prevention Weeks, CPR classes, Advanced first aid classes and participated in Olde Home Days.

Several major training drills were conducted by the department. The smoke trailer returned to Auburn and was used for specialized training. The fire personnel continue to attend fire school and medical related courses. The Auburn Fire Department is proud that many on the volunteer staff are certified fire-fighters and emergency medical technicians with advanced technique certifications.

Construction of the new firehouse on Wilson's Crossing and Pingree Hill Roads began in the fall. Completion is expected in the Spring of 1987. When completed, equipment will be relocated to the new station. The old fire station will remain equipped with fire and rescue apparatus. The old station is being renovated to accommodate the police as well as the fire department.

New equipment to the fire department include survivairs, masks, chimney cleaning brushes, portable radios, and a new stretcher for the rescue vehicle.

Literature regarding safe wood stove operation and tot finder stickers are available at the firehouse.

The fire men and women are dedicated people who donate their time and skills to the town of Auburn. They endeavor to provide the best fire and medical protection possible. Remember, when reporting an emergency, stay calm, speak clearly and remain on the telephone until the dispatcher has all the necessary information.

Yours in Fire Safety,
Martin Sullivan
Chief, AVFD

Auburn Volunteer Fire Dept.

The Auburn Volunteer Fire Department was established in 1935 to protect the lives and property of the residents of Auburn and continues to function toward this goal. The needs of the town continue to grow and the fire department with it. A second station is being constructed on Wilson's Crossing and Pingree Hill Roads.

The fire department performs service calls for the public. It conducts classes, clinics and inspections, dances in May and New Years' and other activities available to the public.

Applications for membership are available at the firehouse and are accepted Sunday mornings and meeting nights. The station is open to the public on Sunday mornings.

Regular Fire Meetings: first Monday of each month at 8:00 pm at the firehouse

Rescue Squad Meetings: first Wednesday after the Fire meeting at 7:00 pm at the firehouse

For further information or service other than emergency dial 483-8141

Report of The Town Forest Fire Warden

Between July, 1985 and June, 1986, the state experienced fewer fires than normal. However, the two leading causes of forest fires remain children playing with matches and fires kindled without the written permission of a Forest Fire Warden. Both causes are preventable, but only with the help of the public.

Please help forest fire officials with fire prevention. Enforcement of the state timber harvest regulations is also responsibility of forestry officials. Timber tax forms are available from the Broad of Selectmen for all forest landowners in Auburn.

FOREST FIRE STATISTICS - 1986

Members of the Board of Selectmen
Town of Auburn
Auburn, New Hampshire

Dear Members of the Board:

We have examined the financial statements of the Town of Auburn for the fiscal year ended December 31, 1986 and have issued our report thereon dated February 23, 1987. In connection with our examination, we reviewed and tested the Town's systems of internal accounting control and operating procedures to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. The purpose of our review of these systems was not to express an opinion on internal accounting control and it would not necessarily disclose all weaknesses in the system.

We are pleased to report that significant improvements have been made in the financial records of the Town since our previous audit examination for the fiscal year ended December 31, 1984. Mostly, deficiencies noted during our audit were considered to be procedural in nature. In those cases, we reviewed proper accounting techniques with personnel who maintain the records. Other concerns relate to areas of operational efficiency and control where opportunities for improvement exist.

In the following paragraphs, we present our comments and recommendations for improving specific aspects of the Town's systems and procedures. We also refer you to the appendix of this letter which explains the purpose of our review, its limitations, and the professional standards involved.

Formal Accounting Policies and Procedures

Like many other communities in New Hampshire, the Town of Auburn does not have a formal record of its accounting policies and related administrative procedures. As commented on in our 1984 report, we again recommend that consideration be given to the development of a handbook for accounting and administrative procedures. Recognizing that the Town experienced many changes in accounting personnel during the year, we felt that the training of new personnel and the efficiency of the system would have been aided by this documentation. In addition to providing a source of information for new personnel and an effective tool for communicating management's intentions, a procedural handbook also provides a measure of control in the event of an unexpected absence of a key individual.

Bookkeeping System

The financial records maintained by the Town consist basically of single entry cash disbursement journals. Classified records of cash receipts are maintained

by the Town's Treasurer. For the most part, the system is designed for recording cash transactions only. Interim and year-end financial reports, required to be prepared in accordance with generally accepted accounting principles and state requirements, are very difficult to prepare from this system.

We are pleased that Town Management is considering the automation of its accounting and reporting functions. Available technology could significantly and cost-effectively support the Town's requirements by providing for more flexibility than the present system. Also, efficiencies would be created by providing for the simultaneous recording of check, journal and ledger in one operation. Because the number of manual operations is reduced, greater internal control over the accuracy of the accounting records is achieved.

We would be glad to offer our technical assistance to help the Town achieve these goals.

Annual Audits

While the Town of Auburn is fortunate to have a number of dedicated individuals who work very hard in managing the Town's affairs, they are not professional accountants and managers. For this reason, financial records and procedures tend to mirror the past, instead of addressing the present and future needs of the Town. We feel that an annual audit is one way for Town management to monitor its accounting and financial reporting needs and to determine what may be cost-effective measures for satisfying them. In addition to affording assurances to Town management, the public, or grantor agencies, as to the fairness of financial information, we see the annual audit as a critical element in the system of internal accounting control, an annual monitoring of financial records and procedures, and perhaps most important an ongoing opportunity to have a professional accountant at the Town's disposal for consultation during the year.

For the above reason, we recommend that the Town consider a policy of providing for an annual professional audit of its records.

In closing, we would like to thank the administration and staff for their courtesy and assistance extended to us during the course of our examination. If, after you have had an opportunity to review our comments and recommendations, you have any questions or need assistance in modifying or implementing any procedures, we would be happy to meet with you at your convenience to discuss them.

Very truly yours,

Paul Murray, CPA

Burning Regulations

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the term of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storm

A. From November 1 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 P.M. and 8 A.M. or at any time in such a manner as to impede snow removal operations.
B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars ($15.00) for each offense.
